You must bring your completed Enrollment Form and the Registration Fee to A&B.

If your child will be entering the Pre-K 4 class, you will be required to pay the \$20 Vision/Hearing Screening Fee at this time as well. Please do not sign the Consent for Medical Treatment section until you are here in front of our Notary.

- **Area #1:** You will receive your number, have a seat and wait to be called. ☺ If you are interested in volunteering or substituting for S.E.E.D.S. you will be able to fill out a application at this time.
- **Area #2:** You will have the medical consent form notarized and have the enrollment form checked by our office staff.
- **Area #3:** Your child will be registered for their grade level and placed on the list after receiving payment of the registration fee & Vision/Hearing Screening Fee (if applicable). You will then receive a registration packet. In this packet will be the personal information form, admission requirement form with immunization information, and parent handbook with signature sheet.
