Curriculum Corner

Two Year Olds: Our busy twos will explore the floor of the tropical rainforest in Art and Science this month. They will differentiate a circle from a square and explore the color green.

Three Year Olds: The Three year olds will also explore the tropical rainforest but will concentrate their studies to the canopy. In Language they will explore the letters Z, Q and D and in Math they will explore the numbers 15 and 16.

Four Year Olds: Our Four Year Olds classes will explore the emergent level of the tropical rainforest in Science this month. They will look and listen for the letters Dd, Zz, and Qq in words they see and hear.

In Math they will count out and identify the numbers 15 and 16.

Thank you to all our parents and teachers that donated to It's My Heart. Your generosity will be appreciated.

SEEDS needs your clean T.V. dinner microwaveable dishes from Healthy Choice or other dinners. They make great

Registration for the New School Year and The Summer Program is looking very good. We can not save your child a spot if you do not register. Please come by the office and find out if there is still room in your desired time slot.
