Parent/Teacher Conferences

The teachers of SEEDS observe and assess the children on a regular basis. We conference with parents at least twice a year. In this way, parents and teachers can work together for the education and care of each and every child. At your Parent/Teacher Conference on Oct. 11, have ready any question or concerns you have. Teachers will provide you with some basic observations and goals for each child. Thank you for participating in this important SEEDS event.

Curriculum Corner:

Toddlers and Two's will be exploring the number 2 and the square shape in Science. In Science they will celebrate the color orange and name animals.

In Art they will explore the fall theme and make hats for our Harvest Day Parade.

The Three-Year-Olds will celebrate 'fun on the farm' and the "fall" season. In Language they will explore the letters H, B, and O. They will look for those letters in words like hay, horse, barn and owl. They will also explore the square and the numbers 4, 5, 6.

The Four/Five-Year-Olds will also celebrate 'fun on the farm, the "fall" season and community helpers. In Language they will look and listen for the letters Hh, Bb and Oo in words like harvest, hay, Halloween, barn, bumblebee, over, owl and orange. In Math they will explore the square and practice counting out to 4, 5, 6.
